Message from the Patron PSSSL

The Photographic Society of Sri Lanka proudly presents our 63rd Annual Exhibition and I as the Patron of our Society, have the pleasure of inviting you to enjoy viewing the many hundreds of photographs we have received from Photographers in over 30 Countries worldwide, who have competed. We have received over 2300 Entries of which 707 were accepted and 75 were selected for exhibition.

Our Society was founded in 1934 and is one of the oldest societies dedicated to Photography in the world with a membership of over 400 today. I first joined the Photographic Society of Ceylon as a school boy in 1946 and today at my advanced age of 89, I do still enjoy my hobby but miss the hard work involved in enlarging and printing a photograph taken with my Leica which some may not be aware, was the first camera to usher in the new 35mm format to the world. I was among the first photographers in Sri Lanka to own and use a Leica from 1947 and do still miss the satisfaction I had in taking a photograph and enlarging it to perfection.

I converted to the digital format in 1978 and after using a succession of digital cameras, I now use an iPhone 8 Plus today, as it is always at hand in my pocket, when needed.

Thank you for visiting our Exhibition.

Message from
Mr. Liwen Yue
Director China
Cultural Center
in Sri Lanka

As we all know , the Photographic Society of Sri Lanka (PSSL) has a rich history dating back to 1906, and the main event in the society's annual calendar is the Annual International Competition and Exhibition of Photography which attracted many local and international entries.

China Cultural Center in Sri Lanka is proud and honored to work together with such an old and prestigious organization, to hold the ceremony of award- presenting and the photography exhibition of 2018. The significance of this event is consistent to the mission of China Cultural Center here, that is , to promote the mutual understanding and friendship between the two countries and their peoples by means of the cultural exchange.

I sincerely wish the 63rd Annual International Competition and Exhibition of Photography of PSSL a great success, and wish this art flower would be more and more mature and beautiful!

As we approach our 175th year,
we take pride in serving our nation in every district.

Message from the President PSSL and Exhibition Chairman

“The Photographic Society of Sri Lanka has a rich history dating back to 1906. Established to promote photography as a hobby, an art and a craft, the Society continues its journey fulfilling these objectives”

PSSL has come a long way since its humble beginnings in the early part of the last century. It's certainly one of the five oldest photographic societies in the world.

This year marks many firsts in its long journey. After a long wait the Society revamped the educational offering by launching two new programs which have proved to be very successful. This has helped the Society to reach out to the younger generation, creating an opening for them to get absorbed in to its activities.

An interest group by the name of Glamour and Fashion was inaugurated, supplementing the established Wildlife & Nature Group. Class groups have been encouraged on more liberal and informal basis. Besides this, a more open and conducive environment within the society has been created, reinforcing

the premise that PSSL will always remain the most favored and enjoyable meeting ground for photography enthusiasts.

On the international front, PSSL was featured in the Month of Photography organized by the Photographic Society of Japan and a delegation of PSSL members took part in the opening ceremony held in Tokyo. Many alliances and associations were formed between the two societies and the exposure to the photography landscape of Japan was an inspiration to all who participated. We also signed a Memorandum of Understanding with the Chinese Cultural Center to further ties between the two countries in photography and art. A meeting was held in Beijing with the Chinese Photographic Art Association, an apex body on photography funded by the government. A MoU will be signed between us in order to cooperate on exchanges, exhibitions and visits.

PSSL 63rd once again heralds the zenith of the photographic calendar in the island. In an ever-changing cultural environment, the society is of the view that this event should reach out to its partners and friends who would in return supplement its own objectives and existence. As time goes by we will look to strengthen ties and bonds with like-minded associations and societies in the region thereby enriching the PSSL experience and return with richer opportunities to all those who support and are part of the PSSL family.

Activities of the PSSL

2018 has been a year of transformation for the PSSL. Embarking on a mission to strengthen its commitment to photography enthusiasts from all walks of life, the Society set about providing a facelift to its initiatives.

The introduction of new academic programmes, the special interest groups and new partnerships stole the limelight this year.

New academic initiatives

Advanced Certificate in Photography: Filling a long-standing vacuum in the academic calendar, PSSL introduced a ten-week program to those who wanted to further their knowledge of photography. The Advanced Program, conducted by Ewlyn Fernando is geared to sharpen the skills of the savvy photographer and help carve out one's own style or niche.

Certificate in Basic Photography: PSSL had numerous enquiries from many who wanted to understand the fundamentals of photography. The Basic Programme was kicked off to provide these enthusiasts with a flavor of photography in a course that spans five weeks, conducted by Ewlyn Fernando.

Partnerships

Month of Photography in Japan: Invited by the Photographic Society of Japan, PSSL participated in the Month of Photography themed, "The Sacred & Beautiful Island - Sri Lanka" held during June, in Tokyo. Fifteen photographers from PSSL had the distinct privilege of being selected to exhibit their images. A delegation from PSSL also had the honour of attending the Opening Ceremony.

Pic Your Values: PSSL partnered with The Asia Foundation in a photographic competition which was organized as a part of the Foundation's 'Values4All' campaign. The Society supported in the photographic competition, which was open to amateur photographers to submit entries on six core humanistic values that would promote a better Sri Lanka: peace, tolerance, respect, honesty, compassion, and cooperation.

Key Membership Activities

Monthly Members Day Meeting: The meetings customarily scheduled for every second Tuesday of the month continued this year with guest presentations featuring a plethora of topics. A quiz, which generated interest amongst the members was introduced this year centered on a topic related to photography. The monthly competition "Capture This" based on a pre-informed theme, continued to have a significant number of submissions, displaying the keen interest of the participants to receive the coveted PSSL award at the International Exhibition for the highest points in each category.

Photowalk Challenge: The 6th Season of the Photowalk challenge evoked high levels of enthusiasm paired with an adrenalin rush this year as well. Seven teams entered the arena

in 2018 to compete for the trophy which is to be awarded at the Awards Ceremony of the International Competition. The teams met on every last Sunday during a span of five weeks and were given a theme for the day. Each team submitted their best, post processed images that are then subject to a very stringent judging process, which leads the teams to a nail-biting end until the final result is announced.

Workshops & Excursions: PSSL organized several workshops and excursions with the intent of building camaraderie and skill. Workshops ranged from studio lighting, Macro photography, Photoshop & post processing to fashion & glamour. Several excursions were organized during the course of the year, particularly catering to the interest of wildlife and nature enthusiasts. This year too, these initiatives were opened to non-members.

Special Interest Groups

Glamour & Fashion Group: Keeping up with the interest of our members, the Glamour & Fashion Group was formed to hone the skills required for portraiture and fashion photography. The members of this group have already had several sessions of active learning throughout the past few months since its formation.

Wildlife & Nature Group: This Group continues to meet frequently and share experiences and images. Excursions to Yala and Wilpattu were also organized to pursue a common interest in wildlife photography.

Social Media Presence

Instagram and Facebook: With the objective engaging with our growing membership, PSSL created a wider presence on web and social media. The society's presence on Facebook as significantly increased over the past few months. The Instagram profile is becoming significantly popular as it provides the opportunity for the members to have their images featured.

PSSL Community

The Society has grown beyond 400 active members as at date. Our membership consists of a wide range of amateurs and professionals who are bound together in a close-knit group by each one's absolute interest in photography. We are immensely proud to have had nurtured several internationally and locally acclaimed award-winning photographers. As the premier photographic society in Sri Lanka, with a heritage spanning over 112 years, we believe it is our profound purpose to continue paving the way towards fostering photography as an art form in Sri Lanka.

Acknowledgments

The PSSL international competition and exhibition has been recognized as Sri Lanka's foremost photographic event. Ensuring that it is presented in all its grandeur for 63 consecutive years is no easy fete.

It is impossible to organize an event of this magnitude and scale without the unstinted support PSSL has received from numerous individuals and institutions this year, and throughout the previous years.

Our most profound gratitude goes out to the following;

His Excellency Mr. Cheng Xueyuan, Ambassador for the People's Republic of China for his graceful presence at the opening ceremony. We are also humbled by the generosity extended by him and the China Cultural Center for the generous partnership. We look forward to a fruitful alliance with the Photographic Society of China.

Over 2300 photography enthusiasts from across 28 countries who participated in the International competition have our gratitude and best wishes.

Judging a competition of this extent is a herculean task. Our sincere thanks go out to the eminent panel of judges comprising the President of the Photographic Society of Singapore Mr. Goh Kim Hui and the Honorary Secretary Mr. Vincent Liew for their presence in Sri Lanka. We sincerely acknowledge the contributions made by Mr. Henry Rajakaruna and Mr. Luxshmanan Nadaraja who also formed the distinguished panel of judges. Our gratitude goes out to Mr. Rusiru Guruge who extended his unyielding support to ensure the Competition and judging process was smoothly facilitated.

The award winners look forward to the patronages we receive. We are grateful to the International Federation of Photographic Art

(FIAP), the Photographic Society of America (PSA) and the Global Photographic Union (GPU) for their wholehearted support this year.

We extend our gratitude to our Patron, Mr. Joe De Livera for his unyielding commitment towards the Society's longevity.

We wish to thank all the main advertisers who contributed in numerous ways to make this event a success. Our sincere appreciation goes out to the generous contribution made by Huawei, Access, Navis, BYD, TBEA together with all the souvenir advertisers. Our gratitude also goes out to the ARTRA Magazine and Daily ARTRA for the publicity given to the event as the Official Art Sponsor.

A special word of thanks also goes out to Mr. Mahinda Jeewananda, who obliged us by designing the theme and for Mr. Thisara Kadupitiya who patiently accommodated all our requests to provide numerous art-work for the Competition and Exhibition.

The success of the Society has always been its membership and we take this opportunity to thank each and every one of our members, who stepped into support the event.

There are many other who extended a helping hand throughout months leading up to the Competition and Exhibition. Although we may not be mentioning them individually here, our sincere thanks go out to each and every one of them.

To all those who tirelessly and ardently contributed to make the 63rd International Photographic Competition and Exhibition a reality – thank you. We are deeply humbled by your generosity and commitment.
