Message from the Patron

Message From The Patron

I joined the Photographic Society of Ceylon in 1946 as a schoolboy just 16 years old and had the pleasure of celebrating my 90th Birthday last October. I have been a member for 74 years and members appointed me as the Patron of the PSSL a few years ago in recognition of my service in keeping this Society alive by hosting it in my parental residence in Stafford Place Maradana, now known as Vipulasena Mawatha Colombo 10 after it was almost closed down when the former Secretary who was as executive and a Brit retired from one of the English owned Tea Exporting companies. His departure almost coincided with the building of the Lionel Wendt Art Center of which the Photographic Society which was originally housed in Lionel Wendt's residence was demolished to make way for the current Art Center of which our Society is an integral part and occupies its own premises where we have a spacious meeting hall, office and dark room.

Many of my friends who joined me to celebrate my Birthday Party which I held at home asked me what I felt to be 90 years in age and how I did not show the usual signs of old age and signs of being that ancient. I was delighted to inform them that I was convinced that this was due primarily to my refusal to take any drugs whatever unless I am compelled to use them on a SOS basis like after surgery. As many members of the PSSL are aware I only use Homeopathy which is a subject I first studied in the late Fifties as a skeptic as I just could not believe that Homeopathic Remedies when diluted to nano levels have the ability to heal. I believe that I am living evidence of the power of this Science and I can honestly testify that I do not have any ache or pain or any other disability today in my body, at my advanced age.

It gives me great pleasure in welcoming you to our 64th International Photography Exhibition.

Joe de Livera

Message from the President PSSL and Exhibition Chairman

As we celebrate the opening of the PSSL 64th Exhibition, it's heartening to see the Society that makes it happen being strong as ever. Despite the obstacles faced in the recent years, PSSL has evolved to be a more dynamic entity which now provides a meeting ground for most genres of the craft.

This year's competition drew authors from 56 countries who sent in over 4500 images for judging. This is the highest number of entries received for the competition during its long history.

After few years of sojourn in galleries around the city, the exhibition and the ceremony comes home to the Lionel Wendt Art Center, and specifically to our own premises where it rightfully belongs.

The awards ceremony is also a celebration for all the friends of the Society, and not only the winners. While congratulating the winners, we also recognize the contribution made by many over the year to make the society vibrant and healthy.

On behalf of the Society I welcome all to view the exhibition and to absorb the many stories told by the images.

Activities of the PSSL

The PSSL had numerous initiatives to engage its membership throughout the year, providing many opportunities to network with those who have similar interests in photography and of course to learn from the best. This year, the Society opened its doors to several non-members to participate in some of the activities. The highlights for the year thus far are;

Monthly Members Day Meeting: Providing our membership with the opportunity to learn and also to strengthen camaraderie, the monthly Members Day Meeting continue to be held on every second Tuesday of each month. These meetings consist of a presentation by a well-known photographer in a particular sphere of photography, followed by a Q&A session and a status update from the leaders of the photography interest groups.

“Capture This” monthly competition: “Capture This” is a favourite activity amongst the membership where a member may submit up to 10 images per month, in line with the monthly theme and open categories. The points accumulated throughout the year lead to annual awards presented at the International Photographic Competition and Exhibition. Open judging of this competition was commenced in 2019 to provide an opportunity for members to get a firsthand experience of how their photos are judged as well as learn tips and tricks to improve their work from the experienced judges.

Photowalk Challenge: This is an activity open to all members and has drawn tremendous interest and enthusiasm. Teams comprising of a maximum of six members embark on a monthly photography challenge. A theme is given as the teams set out where selected and post processed photographs need to be submitted within a given timeline. The winners are chosen subsequent to a stringent judging process. The points accumulated throughout the competition leads to the team with the highest points being awarded the Photowalk Challenge Trophy offered by the PSSL at the International Photographic Competition and Exhibition.

Workshops & Excursions: The Society organizes series of workshops and excursions, including portraiture, studio lighting, street and fashion photography, wildlife and nature excursions, training on Photoshop. Conducted by veterans in the Sri Lankan photography community, we provide our members with diverse and compelling photo opportunities and a ground to interact for fellowship the whole year through. This year, many of the programmes were opened to non-members as well.

Photographic Education

Advanced Certificate in Photography: PSSL introduced a ten-week program in 2018 to those who wanted to further their knowledge of photography. The Advanced Program, conducted by Ewlyn Fernando is geared to sharpen the skills of the savvy photographer and help carve out one's own style or niche.

Certificate in Basic Photography: PSSL had numerous enquiries from many who wanted to understand the fundamentals of photography. The Basic Programme was kicked off to provide

these enthusiasts with a flavor of photography in a course that spans five weeks, conducted by Ewlyn Fernando.

Special Interest Groups

Fashion & Glamour Group: Keeping up with the interest of our members, the Glamour & Fashion Group was formed to hone the skills required for portraiture and fashion photography. The members of this group have already had several sessions of active learning throughout the past few months since its formation.

Wildlife & Nature Group: This Group continues to meet frequently and share experiences and images. Excursions to Yala and Wilpattu were also organized to pursue a common interest in wildlife photography.

Four new interest groups were introduced in year 2019 and they are Black & White Photography group, Street Photography group, Mobile photography group and Analog Film Photography Group. Monthly excursions and meetings are planned by each of these groups to facilitate engagement of members as well as to improve the skill levels of specific genre of photography.

Social Media Presence

Instagram and Facebook: With the objective engaging with our growing membership, PSSL created a wider presence on web and social media. The society's presence on Facebook as significantly increased over the past few months. The Instagram profile is becoming significantly popular as at provides the opportunity for the members to have their images featured.

PSSL Community

The Society boasts of 400 active members from all walks of life with a similar number of visitors, and a Facebook Membership of over 26,000 who make up the total PSSL community. With over 300 students receiving their first insights into the fascinating art of photography, annually through our education programs, and the practical knowledge imparted through our field activities and excursions, it can be proudly stated that even after 114 years of existence, the Society has lived up to the aspirations of its founders and continues to maintain its reputation as the premier Photographic Society in Sri Lanka.

More information on the Society's activities may be obtained on our website at www.pssl.lk or by subscribing to our e-Newsletter, sent out to a database of over 2,000 recipients.

Acknowledgments

The PSSL international competition and exhibition has been recognized as Sri Lanka's foremost photographic event. Ensuring that it is presented in all its grandeur for 64 consecutive years is no easy feat.

It is impossible to organize an event of this magnitude and scale without the unstinted support PSSL has received from numerous individuals and institutions this year, and throughout the previous years.

Our most profound gratitude goes out to the following;

We are also humbled by the generosity extended by Mr. Liu Dong, Counciller for the Peoples Republic of China, and the Chinese Cultural Centre for the generous partnership in year 2019. We look forward to a fruitful alliance with the China Artistic Photography Society .

Year on year we have had phenomenal participation by photography enthusiasts and artists from across the world. This year too, we had over 4500 entries to the competition from across 55 countries. Our best wishes go out to all the award winners and to those whose images were accepted for the exhibition.

Judging a competition of this extent is a herculean task. Our sincere thanks go out to the eminent panel of international judges comprising Dr Barun Sinha, Mr Subrata Bysack from India and Mr Sohel Parvez Haque from Brangladesh for their presence in Sri Lanka.

The award winners look forward to the patronages we receive. We are grateful to the International Federation of Photographic Art (FIAP), the Photographic Society of

America (PSA), the Global Photographic Union (GPU), Image Colleague Society, International (ICS) and the International Union of Photographers Limited (IUP) for their wholehearted support this year.

We extend our gratitude to our Patron, Mr. Joe De Livera for his unyielding commitment towards the Society's longevity.

A special word of thanks also goes out to Mr. Mahinda Jeewananda, who obliged us by designing the theme and patiently accommodated all our requests to provide numerous artwork for the Competition and Exhibition.

The success of the Society has always been its membership and we take this opportunity to thank each and every one of our members, who stepped into support the event.

To all those who tirelessly and ardently contributed to make the 64th International Photographic Competition and Exhibition a reality – thank you. We are humbled by your generosity.
