Message from the Patron

It has been a bleak year in 2021 for everyone despite which the Photographic Society of Sri Lanka is holding its 66th International Competition & Exhibition of photography.

The Society which was originally the Photographic Society of Ceylon as it was then known, was founded in 1906 by a group of photographers, which I joined as a Schoolboy in 1946. It was at this time that I was first introduced to the Leica Camera which heralded a new era in Photography as it was the first to use the 35mm film format which soon replaced the 2.25sq inch format used by Rolleiflex which was considered as the best camera in the world at that time with Kodak following closely. I was very fortunate that in 1947 I was able to purchase a new Leica IIIc camera as I had persuaded my father to visit Europe where we spent some memorable months on a business tour, as he owned a business establishment in Pettah, Titus Stores which he had established in 1924, 5 years before I was born and remains in our family with which I am still associated with. I do not visit it daily as I used to do up to the end of 2020 when I decided to retire from it mostly due to the Covid 19 which resulted in many lockdowns. It is now being managed by my son Johan, the youngest of 3 boys. I enjoyed being the CEO of Titus Stores which is even today a landmark in Pettah and we count on several generations of customers who have patronized us for almost a Century which we will reach in 2024.

It will be safe to state that the whole world has changed in its outlook since March 2020 due to the virus and I am glad that here in Sri Lanka the after-effects of this virus are not as severe as it has been in other countries.

Joe de Livera

It gives me immense pleasure to pen a few words on account of the 66th International Competition and Exhibition of Photography organised by the Photographic Society of Sri Lanka. The Society's International Competition and Exhibition of Photography is one of the significant events of its annual calendar. Plans were made in early 2021 to mark its 66th year. Year 2021 continued to be a challenging and unexpected year due to the Covid-19 pandemic. Despite all the difficulties, the committee managed to hold the competition in keeping with the tradition.

The 66th Competition attracted 3334 entries from 251 authors representing 53 countries. The judging was held virtually with eight eminent international judges.

On another note, the Society has gone through yet another unprecedented year without being able to have its usual monthly member meetings and interest group sessions, workshops and educational programs at the Society premises. As always our society is resilient and did well in actively creating opportunities for members to connect and interact virtually via Zoom with their preferred interest group discussions and monthly member discussions. These sessions immensely benefitted members living out of Colombo and around the world to learn as well as engage and interact with the other members.

While focusing on engaging with membership, the Society opened up some of the events to non-members of the society.

Capture this! monthly photography competition provided a learning platform to members to harness their artistic skills in photography leading them to participate and be successful in international competitions. It is now being opened for other Sri Lankans as well.

On behalf of the society, I would like to extend my sincere appreciation to all participants of the competition, judges, patronages, members and everyone who supported the competition, not forgetting the splendid work done by the Chairman and the organizing committee. The Society looks forward to yet another successful competition in the year 2022. Let's harness more creativity and skills and look forward to meaningful and fulfilling local as well as global participation soon.

Message from the President PSSL

Message from the Exhibition Chairman

As the PSSL International Competition & Exhibition of photography celebrates its 66th year we cannot but help reflect on the journey it has made, from a national print exhibition started in 1946 to being the premier international event in the photographic calendar of the Island. While we celebrate its success, we cannot forget the immense contribution made by the PSSL volunteers over the years to keep the flame burning strong & bright, especially during the recent years.

This year too the contribution made by the panel of International Judges is commendable. We bow in gratitude for their support to the Society. Their commitment and hard work in making the selections to the highest standards as demanded by an event of this calibre, is noteworthy.

PSSL being one of the oldest photographic societies in the world continues to be a meeting ground for the passionate photographer traversing through life, to see more than one can remember, and to remember more than one can see, the Society remains an eternal oasis of excitement and creativity and will do so for next 100 years too.

Activities of the PSSL

Year 2021 continued to be another challenging year due to Coronavirus disease (COVID-19) and other socio-economic problems created in Sri Lanka. Amid all the difficulties, the society had numerous initiatives to engage its membership throughout the year. PSSL continued to organize various online sessions via ZOOM in addition to few outings organized by different interest groups. A brief description of the activities held last year is given below.

Monthly Members Day Meeting: Providing our membership with the opportunity to learn and also to strengthen camaraderie, the monthly Members Day Meeting continues to be held on the second Tuesday of each month. These meetings consist of a presentation by a well-known photographer in a particular sphere of photography, or a panel discussion on a related topic, followed by a Q&A session and a status update from the leaders of the photography interest groups.

"Capture This" monthly competition: "Capture This" is a monthly competition where a contestant may submit up to 10 images per month, in line with the monthly theme and open categories. The points accumulated throughout the year lead to annual awards as well as cash prizes presented at the International Photographic Competition and Exhibition. Open judging sessions are held to provide an opportunity for the participants to get a first-hand experience of how their photos are judged as well as learn tips and tricks to improve their work from the experienced judges. The competition is open to the public, which was restricted only to the members before.

Photopourri/ Mini Photopourri: This is a platform for PSSL members to present their work/portfolio. These sessions were organized periodically coupling few member presentations from different genres. In addition to the above activities, Photowalk Challenge, Workshops, Excursions and Educational Programmes are the other popular activities that were at a standstill during the year 2021, due to the pandemic and other socio-economic challenges in the country.

Special Interest Groups

Fashion & Glamour Group: Keeping up with the interest of our members, the Fashion & Glamour Group was formed to hone the skills required for portraiture and fashion photography. The members of this group organize sessions of active learning frequently.

Wildlife & Nature Group: This group continued to meet monthly via zoom and share experiences and images. Few excursions were organized within Colombo to pursue a common interest in wildlife photography.

Black & White Photography Group: This group consists of monochrome photography enthusiasts. Aim is to share knowledge and work together to improve members' skills in this genre.

Street & Travel Photography Group: This group is dedicated to members who are interested in street and travel photography. Monthly meetings with member & guest presentations, panel discussions and image critique sessions were organized to improve members knowledge.

Mobile photography Group: This group consists of mobile photography enthusiasts. They often share their images and create a discussion via the WhatsApp group dedicated to them.

Analog Film Photography Group: This group was created for the members who are passionate about film photography, to provide an opportunity to exchange ideas, participate in instructional programs, shoot film with other members of the group and share tools that expand skills.

Creative Photography Group: This group was created for the members who are interested in Creative Photography. The group encourages the members to use their imagination to "create" photos using the innate capabilities of their cameras, as well as the capabilities of tools such as Photoshop.

All these groups organize monthly meetings, panel discussions, indoor and outdoor workshops, image critique sessions, etc. assisting group members to excel in different genres of photography.

Social Media Presence

Intending to engage with our growing membership, PSSL created a wider presence on the web and social media. Society's presence on Facebook is divided into two groups, one dedicated to the members of the society and another group open to all photo enthusiasts. The Instagram profile is popular as it provides the opportunity for the members to have their images featured. PSSL Video Channel on YouTube has created an opportunity for anyone to catch a glimpse of PSSL activities, as the online sessions are uploaded to the channel. The society is present on LinkedIn as well.

PSSL Community

The Society boasts of more than 350 active members from all walks of life with a similar number of visitors, and a Facebook Membership of over 26,000 who make up the total PSSL community. With over 300 students receiving their first insights into the fascinating art of photography, annually through our education programs, and the practical knowledge imparted through our field activities and excursions, it can be proudly stated that even after 115 years of existence, the Society has lived up to the aspirations of its founders and continues to maintain its reputation as the premier Photographic Society in Sri Lanka.

PSSL Premises

All the above activities are coordinated through the PSSL Office premises at Lionel Wendt Art Centre. The premises reopened after a long closure due to pandemic and will continue to cater to the betterment of the Society.

More information on the Society's activities may be obtained on our website at www.pssl.lk or by subscribing to our e-Newsletter, sent out to a database of over 2,000 recipients.

Acknowledgments

The PSSL international competition and exhibition has been recognized as Sri Lanka's foremost photographic event. Ensuring that it is presented in all its grandeur for 66 consecutive years is no easy feat.

It is impossible to organize an event of this magnitude and scale without the unstinted support PSSL has received from numerous individuals and institutions this year and throughout the previous years.

Our most profound gratitude goes out to the following;

66th International Competition closed with a resounding success, where we had over 3334 entries from 251 participants across 53 countries. A big thank you to all the participants and our best wishes go out to all the award winners and to those whose images were accepted for the exhibition.

Judging a competition of this extent is a herculean task. Our sincere thanks go out to the eminent panel of international judges comprising Ms. Adela Rusu from Romania, Ms. Normante Ribokaite from Lithuania, Ms. Eleftheria Konsolaki from Greece, Mr. Leif Alveen from Denmark, Ms. Kunntala Roychoudhuary from India, Mr. Mehmet Masum Suer from Turkey, Mr. Jose Jeuland and Mr. Vincent Liew from Singapore.

The participants look forward to the patronages we receive. We are grateful to the International Federation of Photographic Art (FIAP), the Photographic Society of America (PSA), the Global Photographic Union (GPU) for their wholehearted support this year.

We extend our gratitude to our Patron, Mr Joe De Livera for his unyielding commitment towards Society's longevity.

Our sincere gratitude to Mr Mahinda Jeewananda, who obliged us by designing the theme and patiently accommodated all our requests to provide numerous artwork for the Competition and Exhibition.

A special word of thanks also goes out to Mr. Pandula Bandara, for his assistance in creating promotional material.

The success of the Society has always been its membership and we take this opportunity to thank our members, who stepped in to support the event.

To all those who tirelessly and ardently contributed to making the 66th International Photographic Competition a reality. thank you. We are humbled by your generosity.
